XL 100 Flat Deck Extendable

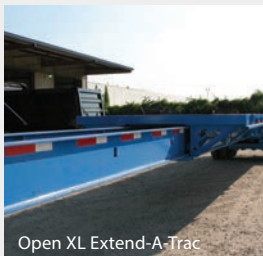

YOUR SOLUTIONS-BASED HAULING PARTNER

XL Extend-A-Trac

PATENTED XL EXTEND-A-TRAC

The patented XL Extend-A-Trac allows for extending and retracting the trailer without hooking and unhooking air and electrical lines. **6" greaseable rollers** incorporate oil impregnated bronze bushings to make extending easy.

SUPERIOR VERSATILITY

The XL Extend-A-Trac **adjustable pin locations** allow you to open the trailer at various lengths depending on your need at that specific time. These pin locations can be customized to as small as 1' increments to avoid using more trailer length and paying more permit costs than necessary.

BUILT TO LAST

An innovative take on a traditional trailer, the XL Flat Deck Extendable is built to last, with XL's **one-piece construction** process. I-beams are made from one piece web and flange and then welded on all sides, which results in stronger products.

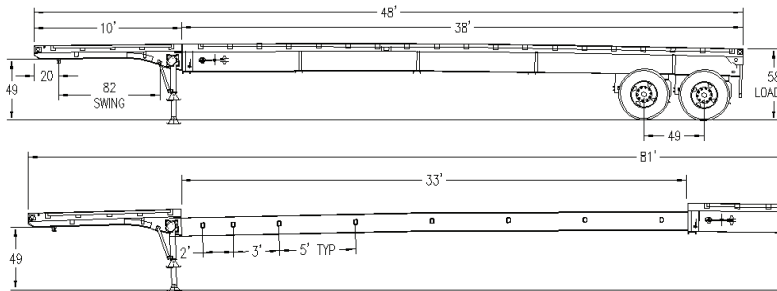

BUILT WITH YOU IN MIND

- 2 speed landing gear
- Heavy-duty bumper option
- Haul with even more versatility, with the popular 2' option which allows you to extend in 2' increments.
- Multiple air operated extension locks
- Extends to 81'
- All XL Specialized Trailers' products go through the new, premium paint process. XL paint includes a **full 1 year warranty**.
- Always striving to surpass market standards, all XL Specialized Trailers' products feature a **5 year structural warranty**.
